

Vin PODIUM

RAPID WINE CHILLER

Chill on Demand® during parties, entertaining, when unexpected guests arrive, or when you desire a cold bottle at a moments notice. Attractively display your bottle as it is chilling.

Chilling process is faster than a refrigerator or freezer and gives the user the ability to chill their bottle to the perfect serving temperature. Remember, different wine varieties need to be served at different temperatures. Use the VinPodium to quickly, easily, and stylishly chill:
